

SVVSD Drone Performance Team Drawing Contest!

Do you want to see your drawing creations flying in the sky like this?

WE'LL GET YOUR MARKERS MOVING BECAUSE NOW YOU CAN!

INFORMATION

The Drone Performance Team is hosting a drawing contest for K-5th graders at your school! Students created drawings, either on paper or in the PixelArt app, that represented their school or community for a chance to see their artwork in the air! We received all of the drawings, and our team has selected one drawing from each grade to feature in the show. Come see the show to see the winning drawings flown in the sky!

SAVE THE DATE!!

Join us for the first ever SVVSD Elementary School Drawing Contest!

When: February 5th, 2025
Show time 6:15pm

Where: Mead High School
12750 County Road 7,
Longmont CO

The show will be flown in the northeast fields of the school so everyone will sit in the football stadium!

Be sure to contact our team if you have any question! Hernandez_daniel@svvdsd.org
